PROFESSIONAL AFFILIATIONS

Academic and Research Affiliations

- **Life Member** (ID: 4939)
Organization: Clare Hall, A College for Advanced Study at the University of Cambridge, United Kingdom
Period: 2006–Present
- **Fellow**
Organization: Stanley Ho East Asia College (SHEAC), University of Macau
Period: 2011–Present
- **Member**
Organization: Centre for Applied Mathematics, University of Macau
Period: [Year]–Present

Editorial Roles

- **Associate Editor**
Journal: [Signal, Image and Video Processing](#) (Springer)
Indexing: SCI
Period: 2025–Present
- **Editor**
Publication: Topical Collection with journal “Advances in Applied Clifford Algebra (AACAA)” for ENGAGE 2020, 2024
Indexing: SCIE, Q2, IF 1.1
- **Guest Editor**
Journal: AIMS Mathematics – Special Issue on “Signal and Image Analysis”
Indexing: SCIE, Q1, IF 1.8
Period: July 2024–Present
- **Associate Editor**
Journal: Clifford Analysis, Clifford Algebras and their Applications (CACAA)
Period: 2011–2012

Professional Societies and Committees

- **Founding Member**
Organization: ISAAC Interest Group on Clifford and Quaternionic Analysis
Since: January 2011
- **External Affairs Director**
Organization: Macao Society of Nuclear Medicine and Molecular Imaging (MSNMMI)
Since: 2020

- **Organization Committee Member**

Conference: The 7th Conference on Applied Geometric Algebras in Computer Science and Engineering (AGACSE 2018)

- **Organizer**

Workshop: Empowering Novel Geometric Algebra for Graphics and Engineering Workshop (ENGAGE)

Since: 2018–Present

Note: Organized the 10th ENGAGE workshop

- **Organizer**

Conference: Computer Graphics International (CGI)

Since: 2018

DETAILED DESCRIPTIONS

- **Life Member (ID: 4939) of Clare Hall** – A prestigious college for advanced study at the University of Cambridge, United Kingdom. Membership since 2006 following his Research Fellowship at Clare Hall.
- **Founding Member of the ISAAC Interest Group on Clifford and Quaternionic Analysis** – Established January 2011 to promote research and collaboration in Clifford and quaternionic analysis within the International Society for Analysis, its Applications and Computation (ISAAC).

- **Associate Editor, Signal, Image and Video Processing (Springer)** – Peer-reviewed journal indexed in Science Citation Index (SCI), covering theoretical and practical aspects of signal, image, and video processing.
- **External Affairs Director, Macao Society of Nuclear Medicine and Molecular Imaging (MSNMMI)** – Since 2020, serving as external liaison for the society promoting nuclear medicine and molecular imaging in Macao.
- **Fellow, Stanley Ho East Asia College (SHEAC)** – Residential college fellow at the University of Macau, contributing to the collegiate system and student development.
- **Member, Centre for Applied Mathematics** – Research center at the University of Macau focused on advancing mathematical research and applications.
- **ENGAGE Workshop Organizer** – Organizing the Empowering Novel Geometric Algebra for Graphics and Engineering Workshop since 2018, including the 10th ENGAGE workshop.
- **Computer Graphics International (CGI) Organizer** – Contributing to the organization of this international conference since 2018.
- **AGACSE 2018 Organization Committee Member** – Served on the organization committee for the 7th Conference on Applied Geometric Algebras in Computer Science and Engineering.
